Motion to Receive Court

Transcripts

U.S. DISTRICT COURT
DISTRICT OF MASS.

Defendant Marysol Morales (hereinafter, "Defendant") respectfully requests, pursuant to 28 U.S.C. 753, all Court transcripts and discovery materials pertaining to her sentencing by Judge Saris on August 1, 2006, in the United States District Court of Massachusetts.

Defendant requests said documents to perfect a collateral challenge based on 28 U.S.C. 2255, "the sentence was in excess of the maximum allowed by law". Defendant argues that the sentence imposed was excessive as the United States Sentencing Guidelines (U.S.S.G.) were applied incorrectly. Defendant received enhancements of "vulnerable victim", although the Defendant maintains the victims of her crime did not fit the criteria outlined in U.S.S.G. 3A1.1 (a).

To implement this argument, Defendant must obtain minutes from her sentencing as well as her discovery materials. Defendant respectfully requests the Court to provide her with said documents.

Respectfully submitted,

Marysol Morales
